

## DOI Work Activity 05: Plan For Biological Communities

<b>Program Area:</b>	Biological Communities
<b>End Outcome Goal:</b>	PEO 2 – Sustain Biological Communities on DOI Managed and Influenced Lands and Waters in a Manner Consistent with Obligations Regarding the Allocation and Use of Water
<b>Intermediate Outcome:</b>	PIO 2.1 – Provide Habitat for Biological Communities to Flourish
<b>DOI Sub process:</b>	2a – Plan (prepare resource use & mgmt plans)

### Examples/Notes:

**Work Activity Description:** This work activity includes activity plans (implementation plans) that meet the goal of sustaining biological communities. These activity plans refine the broad program objectives stated in the land use plan (RMP or MFP), outline an implementation strategy for decisions made in the land use plan, and apply best management practices to meet land use objectives

This work activity includes all costs associated with the preparation of these activity plans: Staff time for preparation, collaboration (outreach, meetings, public meetings, etc.) with other entities and the public, consultation with tribes, coordination and cross-walking with other existing implementation plans, third party contracting, etc. It also includes costs associated with document preparation such as printing, collating, and distribution; training associated with preparing staff to complete these plans; research and data searches; and GIS associated activities.

If a land use plan amendment is required prior to approval of an activity plan, and the land use plan amendment and the activity plan are being prepared concurrently, **the cost of the concurrent effort through the approval stage of the plan amendment should be charged to DOI Work Activity 31 - Prepare Land Use Plan Amendment.** Following approval of the land use plan amendment, costs of finalizing the activity plan should be coded to this work activity. A unit of accomplishment should be reported for the plan amendment when it is approved, and an additional unit of accomplishment should be reported for the activity plan when it is approved.

<b>Output:</b> New or revised activity plan	<b>Unit of Measure:</b> Number(s) of new or revised activity plans completed during the fiscal year.  Report new or revised activity plans when the decision document for the plan is signed. Revisions include a modification of a significant portion of the decisions in the activity plan. Do not report minor amendments or changes in these plans, even though these costs may be charged to this work activity.
